Our **Summer Day Camp** will provide students that have never ridden before a basic knowledge of horses from learning how to ride, groom and feed. Those students that already have been in our lesson programs will learn aspects of horses that we don't always get the opportunity to teach in a one hour lesson.

From riding to bathing horses, each day will offer a new experience. Days will be loaded with fun and excitement completely revolving around horses and many other activities including swimming (small pool), hiking, games, crafts and much more!

Ridgelawn Equestrian has been in operation since 1981. We strive to develop programs for riders and horses based on individual goals. We offer an environment that promotes safety, education, physical well being and professionalism for both the rider and horse.
